

Dear competitors of the Night Race 2020,

as unfortunately the numbers of new Corona infections are rising continuously in Upper Austria and the district Linz-Land, after thorough consideration we decided to NOT hold the competition in Ansfelden. Luckily though, we can hold the Night Race at another event site in eastern Austria, at ÖRV Pottendorf (2486 Pottendorf, Industriestraße). Following you can find the important information:

New competition site ÖRV Pottendorf (2486 Pottendorf, Industriestraße)!

Competition Schedule: In order to reduce the number of people on site at the same time, the LK1, LK2 and Oldie runs will be held separately from the LK3 runs. Each morning LK1, LK2 and Oldie start off the competition, followed by the price giving ceremony. After an approximately 45-minute break, LK3 runs start. LK1, LK2 and Oldie teams will run their own finale on Saturday! Please note the competition schedule with first guideline times that you can find underneath.

Camping: If you've already enrolled for Camping and still want to camp at the Night Race in Pottendorf, you don't have to take further action. If you've enrolled for Camping but don't need it anymore, please send us a short reply! If you arrive later than initially planned, please let us know as well. Concerned camping fees will of course be refunded.

Rooms Ansfelden: We have already contacted the accommodations that we recommended to you in Ansfelden and explained the situation. They're expecting your written cancellations in the following days.

Corona-security measures: The current safe distance of 1 meter between people from different households in Austria is to be maintained at all times! During course walking as well as on the toilets a face mask is to be worn. Disinfectant will be available at several places to clean your hands. You can set up chairs and tents (without floor!) around the course.

Registrations: If you're unfortunately not able to take part in the competition anymore, please cancel your registration for every competition day that you enrolled for directly on Dognow. Entry- and camping fees will be refunded of course.

Thank you Hans Fried of ÖRV Pottendorf for providing the competition site at such short notice! We thank you competitors for your understanding, we do our very best to host the Night Race 2020 with a good conscience. If you have any questions, please contact us.

We hope to welcome many of you in Pottendorf and are looking forward to an as always and this time especially legendary weekend with you
